Are other non fire services complete and commissioned		
Have all the trades provided final certificates to Australian Standards		
Have all fire contractors provided final fire safety certificates		
Is the disabled access - handrails - tactile - signage complete		
Is the disabled toilet fixtures and fittings complete internal		
Have you reviewed the original list of requirements and complied with all the requirements		
Has the owner prepared a OC application form		
Have you submitted all required certification to PCA as part of this OC procedure		
Additional Comments for booking		

Our Reference;

Date for final	
Contact details of the person who will be present	
Signature Of the Client	

This form is a **required document** as part of our quality assurance procedure to complete your **occupation certificate** you must ensure that it is **signed and returned** to your project manager at PCA as explained. The reason for this checklist is to ensure that PCA is efficient and achieving the best outcome of the Final Inspection booked. We implemented this procedure to save **you the client** time, effort and money.

Please be aware any final inspection booked that results in building works being incomplete will incur the following charges;

Subsequent re inspections for NON conformity	\$200 (per inspection)

We would like to take this opportunity to thank you for using our services. Should you have any further issues you need to discuss, please do not hesitate to contact your allocated project manager.
